

# Specialists in Telecoms Solutions for Hotels

## The Challenges

- Large scale connectivity to hotels with hundreds of rooms
- Hotels are open 24 hours a day 7 days a week
- Resilience is critical so that guests never see a problem

## Background

AdEPT Telecom provide Telecoms Solutions to several hotel chains from international brand names to a range of boutique and designer 4 and 5 star hotels in London and around the UK

## The Solutions

- ISDN30 channels; we can add channels as you need them
- Out of hours support
- Site assurance so that calls can be diverted to another hotel in case of emergency

One day we will be widely acknowledged as the most professional Telecom Reseller in the UK

We are ... **faces not numbers** ... and so are you
