## **PSN Compliance Certificate**

### **AdEPT**

The Public Services Network Authority has completed a review of the compliance verification activity to provide a

**PSNSP service of Connectivity for OFFICIAL information**

**Certificate Number: SRV\_0172**

**Until 31 May 2015**

**This service has been assured by the Public Services Assurance and Accreditation Board as compliant with the requirements for connecting to the PSN but not to the PSN's encrypted domain.**

This Compliance Certificate is issued following completion of the PSN compliance verification process for PSN Services. It may be withdrawn at any time in accordance with the PSN Compliance and PSN Code Template if it is found that the Service or Service Provider is non-compliant with PSN standards and requirements. This certificate is no guarantee that security incidents will not occur, but is an indication that a risk management process has been followed. The decision to accept residual risks and operate the system is the responsibility of the SIRO.

### **PSN Compliance Certificate**

#### **Basis for accreditation**

This accreditation certificate is granted on the basis that AdEPT provides PSN-compliant services supplied by MDNX for OFFICIAL information.

**For and on behalf of the Public Services Network Authority**

A handwritten signature in black ink, appearing to read 'John St'.
